

Season of Thanks

On November 1 we celebrate All Saints' Day. The saints showed their love for God by thanking him often. We can follow the saints' example by doing the same.

Make a set of gift cards. On each blank card write the name of one of God's gifts. Color and cut out all the cards. Put them in a box, and choose one card each day of Ordinary Time. During the day thank God often for the gift on the card.
