

 **Jesus We Are Happy**

(*"If You're Happy"*)

Make up actions for the song.

Jesus says to all of us,
"Come, follow me.
Come and learn how very happy
you can be,
Loving God and loving others
We are sisters now and brothers."
Jesus says to all of us,
"Come, follow me."
O Jesus, we are happy
following you.
Jesus, we are happy
the whole year through.
We remember you're the reason
why we celebrate each season.
O Jesus, we are happy
following you.
